

IN-FORM ELECTRICAL
DATA COMMUNICATIONS

In-Form Electrical Data Communications would like to quickly update our customers on our status regarding Corona Virus (COVID-19)

It is service as usual with a few additional cautionary measures:

- Our team have been & will continue to improve our preventative measures against the spread of this disease ensuring

- Increased hand washing & sanitizing coupled with cleaning of the following:
 - Tools & equipment
 - Vehicle cabin
 - Phones & personal effects
- Minimising group interaction as well as maintaining social distancing measures as advised by government

- Our thoughts go out to all dealing with this Virus, but also the many businesses & employees without work due to the measures in place.
